## THE MINDFUL MENTALITY RBT EXPERIENCE:

As a Registered Behavior Technician (RBT), you will be at the forefront of our mission, working directly with clients to implement their individualized treatment plans. You will be responsible for:

- **Implementing ABA and PRT strategies:** You will work with clients one-on-one or in small groups, utilizing evidence-based techniques to teach new skills, reduce challenging behaviors, and promote generalization.
- **Collecting data:** You will meticulously track client progress to inform treatment decisions and ensure that interventions are effective.
- **Collaborating with the team:** You will work closely with BCBA's, BCaBA's, and other team members to ensure that each client receives comprehensive and coordinated care.
- **Building relationships:** You will establish positive and supportive relationships with clients and their families, fostering trust and collaboration.
- **Supportive and Inclusive Environment:** We strive to create a positive and welcoming workplace where everyone feels valued and respected.
- **Focus on Mindfulness:** We incorporate mindfulness practices into our daily routines to promote self-care, reduce stress, and enhance well-being for both staff and clients.
- **Commitment to Excellence:** We are dedicated to providing the highest quality ABA services and continuously strive to improve our practices based on the latest research.
